Together we THRIVE!

Here are some real comments from families who have received help:

"In a situation that was outside of my control, my caseworker was concise, helpful, non-judgmental, and quite uplifting. In a situation that has humbled me so much, she was a breath of fresh air and truly outstanding."

"The spirit of the Lord is in this place I felt it when I walk through your doors and I thank God for good people like you."

"Not only did THRIVE provide me with the financial assistance I needed, they also helped me with a ton of resources and helped me with financial planning so that I would not run into the same issue again."
