

STUFF THE STOCKINGS

**Rally your company, church, or community group to spread holiday cheer!
The Let Christmas THRIVE Stocking Project invites you to collect
hygiene products to stuff stockings for families.**

***To participate, provide 14–16" Red Stockings and gender-neutral hygiene products
(see list below).***

Sample Stocking includes:

- Toothbrush & toothpaste
- Dental floss
- Bar soap or body wash
- Shampoo & conditioner
- Deodorant (fresh/clean scent)
- Lip balm
- Hand sanitizer (travel size)
- Travel pack of tissues
- Nail clippers or nail file
- Small bottle of lotion (unscented or lightly scented)

While
we'd love to
add "extras,"
please keep
stockings inclusive
and appropriate
for all.

THRIVE Peninsula helps families experience the true joy of Christmas by providing gift cards to parents in our programs, empowering them to choose gifts for their children—celebrating the season with dignity and love. This brings double the joy: parents share the pride of giving, and children feel the warmth of a gift chosen just for them. Since 2020, our community has brightened Christmas for over 3,000 children across the Peninsula.

The Gift of Giving **Let Christmas THRIVE**

****THRIVE Peninsula is a non-profit that helps families on the Peninsula through financial hardship.
We provide food to keep families fed, emergency financial assistance to keep them housed,
and financial coaching to help change their story.***
